Policy

Quality Buildings Insurance for Flats and Apartments

Underwritten by

The policy schedule which specifies the operative sections is your evidence of insurance and may be required in the event of a claim. Please read the schedule and the policy and return it immediately if it is not in accordance with your requirements. If you decide within 14 days of receipt that you do not wish to accept the policy, return it and provided no claims have been made, we will refund the premium. The policy is designed for easy amendment, therefore should you request any change in cover, an updated schedule will be issued.

Provision against inflation is provided and the revised sums insured applicable at renewal will be advised on the renewal schedule forming part of the renewal notice.

## **Definitions**

Wherever the following words or expressions are used in this policy they will have the specific meanings given below.

### *Policy*

Our contract of insurance with you providing insurance within the terms of this policy document. The application form/statement of fact, the policy schedule (specifying the sections covered) and any specifications and endorsements or notice issued by us at renewal also form part of the contract and must be read together with this policy document.

### *Insured/you/your*

The person(s) named in the schedule (unless stated otherwise).

### *Insurer/we/our/us/Aviva*

Aviva Insurance Limited

## **Operation of cover**

In return for You having paid or agreed to pay the premium, We will provide the cover set out in this policy, to the extent of and subject to the terms contained in or endorsed on this policy.

## **Important**

This policy is a legal contract. You must tell Us about any material circumstances which affect Your insurance and which have occurred either since the policy started or since the last renewal date.

A circumstance is material if it would influence Our judgement in determining whether to provide the cover and, if so, on what terms. If You are not sure whether a circumstance is material ask Your insurance adviser. If You fail to tell Us it could affect the extent of cover provided under the policy.

You should keep a written record (including copies of letters) of any information You give Us or Your insurance adviser when You renew this policy.

## **Breach of Term**

We agree that where there has been a breach of any term (express or implied) which would otherwise result in Us automatically being discharged from any liability, then such a breach shall result in any liability We might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied. This means that We will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

## **Terms not relevant to the actual loss**

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:

- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,

then We agree that We may not rely on the non-compliance to exclude, limit or discharge Our liability under this policy if You show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

## **Telephone Call Charges and Recording**

Calls to 0800 numbers from UK landlines and mobiles are free. The cost of calls to 03 prefixed numbers are charged at national call rates (charges may vary dependent on your network provider) and are usually included in inclusive minute plans from landlines and mobiles. For our joint protection telephone calls may be recorded and/or monitored.
